Bridge

F	A_m
To kiss in cars and downtown bars	Was all we needed

You drew stars around my scars	But now I'm bleedin'

C	G	
'Cause I knew you	Steppin' on the last train	Marked me like a bloodstain, I
F	G	
I knew you	Tried to change the ending	Peter losing Wendy, I
C	G	
I knew you	Leavin' like a father	Running like water, I
F	G	
And when you are young, they assume you know nothing		

Verse 3

But I knew you'd linger like a tattoo kiss	I knew you'd haunt all of my what-ifs
The smell of smoke would hang around this long	'Cause I knew everything when I was young
I knew I'd curse you for the longest time	Chasin' shadows in the grocery line
I knew you'd miss me once the thrill expired	And you'd be standin' in my front porch light
And I knew you'd come back to me	You'd come back to me
And you'd come back to me	And you'd come back

Outro

And when I felt like I was an old cardigan	
Under someone's bed	You put me on and said I was your favorite
