

# **ROLLIN' ON**

Author: Israel Nash

**Intro**    C        G        F        F        (2 times)

## **Verse 1**

|   |  |   |   |   |   |
|---|--|---|---|---|---|
| C   | G  | F | F | F | F |
| Set upon a mission and the part they never mention          | Now I am a man of many names                 |   |   |   |   |
| C   | G  | F | F | F | F |
| Some go through the motions, but I crossed the oceans       | Since have found some motions of my own      |   |   |   |   |
| C   | G  | F | F | F | F |
| Though my heart it means good, I'm huddled in the backwoods |  |   |   |   |   |
| F   | F  | F | F | F | F |
| Making all the plans you know I make                        |  |   |   |   |   |
| C   | G  | F | F | F | F |
| Once the strings are too fine, I'll make the b-line         | I'm moved to tears by splendor-less displays |   |   |   |   |

## **Chorus**

|   |                              |   |   |   |   |   |
|---|------------------------------|---|---|---|---|---|
| C   | G                            | F | F | C |   |   |
| Ahhh ( <i>roll away</i> ), ooh, ooh, ooooh, hoo |                              |   |   |   |   |   |
| G   | F                            | F | C | G | F | F |
| I had better keep rollin' on                    | I had better keep rollin' on |   |   |   |   |   |

## **Verse 2**

|  |  |   |   |   |   |
|--|--|---|---|---|---|
| C  | G  | F | F | F | F |
| I looked into the distance and in case you missed it     | A thousand lights just faded out at once |   |   |   |   |
| C  | G  | F | F | F | F |
| Shouting from the rooftops to a ghost town all riled up  | I knew I'd better keep the peace         |   |   |   |   |
| C  | G  | F | F | F | F |
| The eagle and the full moon will rise from the west soon | Deliver me to the land of sand and stone |   |   |   |   |
| C  | G  | F | F | C | F |
| Once I'm back to my place I'll find it at my own pace    | The backroads treat me like kin          |   |   |   |   |

## **Chorus**

|                              |                              |   |   |   |   |   |
|------------------------------|------------------------------|---|---|---|---|---|
| G                            | F                            | F | C | G | F | F |
| I had better keep rollin' on | I had better keep rollin' on |   |   |   |   |   |

**Instrumental**    C        G        F        F        (2 times)

## **Chorus**

|                              |               |                              |   |       |   |       |
|------------------------------|---------------|------------------------------|---|-------|---|-------|
| C                            | G             | F                            | F | C     |   |       |
| Aha                          |               |                              |   |       |   |       |
| G                            | F             | F                            | C | G F F | C | G F F |
| I had better keep rollin' on | On on oooooon | I had better keep rollin' on |   |       |   |       |

**Outro**    C        G        F        F        (4 times)
