Intro C# G# A#m F#

Verse 1

C# G# A#m F#
 I'm going under and this time I fear there's no one to save me
 C# G# A#m F#
 This all or nothing really got a way of driving me crazy
 C# G# A#m F#
 I need somebody to heal Somebody to know Somebody to have Somebody to hold
 C# G# A#m F#
 It's easy to say But it's never the same I guess I kinda liked the way you numbed all the pain

Chorus 1

C# G# A#m F#
 Now the day bleeds Into nightfall And you're not here To get me through it all

 I let my guard down And then you pulled the rug I was getting kinda used to being someone you loved
