## Verse 1

G#m F# E F# G#m G#m F# E F# G#m  
 The hope and the hurt has lived inside of me But there's gold in the dirt, I never took the time to see  
 G#m F# E F# G#m  
 But I knew of its worth When you walked beside of me  
 G#m F# E F# G#m  
 And my hand fits in yours Like a bird would find the breeze

## Chorus 2

G#m F# B E F#  
 We used to be giants When did we stop  
 G#m F# B E  
 Just say the word and I'll be yours You know I never forgot  
 G#m F# B E F#  
 We were the song of the silence But time catches up  
 G#m F# B E  
 Just say the word and I'll be yours You know I never forgot

## Verse 2

G#m F# E F# G#m  
 I knew from the start That you'd be the one to set me free  
 G#m F# E F# G#m  
 That day in the park When the hurt would hide from me  
 G#m F# E F# G#m  
 Those eyes used to know me it's been way too long You are the moon and the stars, and all they gaze upon  
 G#m F# E F# G#m  
 Time won't ever move slowly What you waiting on Yeah, what you waiting on
