

ROSE COLORED GLASSES

Author: Blue Rodeo

Intro E A B B

Verse 1

E A B B E A B B
She sees the world through rose-coloured glasses Painted skies and graceful romances
A B E A
I see a world that's tired and scared Of living on the edge too long
A B E A A B B
Where does she get off telling me That love could save us all, save us all

Verse 2

E A B B E A B B
She takes my hand and leads me to nowhere town No matter where I stand it's always neutral ground
A B E A
And in the cool of the evening blue I feel so tired and alone
A B E A A B B
Where does she get off telling me That love could save us all, save us all

Chorus 1

E A B B
And it's day after day I keep hanging around can you tell me why
E A B A A
Night after night, yeah I know I should leave But there's something in those eyes
B B A A
That keeps me hanging on, I'm hypnotized It breaks my heart and I don't know why

Solo E A B B (3 times)

Bridge

A A B B A A B B
Tell me why Tell me why

Verse 3

E A B B E A B B
She sees the world through rose-coloured glasses Painted skies and graceful romances
A B E A
I see a world that's tired and scared Of living on the edge too long
A B E A A B B
Where does she get off telling me That love could save us all, save us all

Chorus 2

E A B B
And it's day after day I keep hanging around can you tell me why
E A B B
Night after night, yeah I know I should leave But there's something, yeah, yeah.....
E A B B
Day after day after day after day And I don't know
E A B B A A B B
Day after day after day after day And I don't know why

Outro E A B B B
