

THEN THEY CAME FOR ME

THEY CAME FIRST for our Energy System, (using Global Warming/Climate Change/Climate Emergency/the Latest Scary Descriptor, Renewable Energy, the Green New Deal, Net Zero, ESG, etc.),
and I didn't speak up because I wasn't involved in the Energy System.

THEN THEY CAME for our Education System, (using Critical Race Theory (CRT), Common Core, Global Warming Propaganda, Gender Identity, Social Emotional Learning (SEL), etc.),
and I didn't speak up because I wasn't involved in the Education System.

THEN THEY CAME for our Medical System, (using Pandemics, Masks, Lockdowns, mRNA "vaccines", Vaccine Passports, Therapeutic Suppression, etc.),
and I didn't speak up because I wasn't involved in the Medical System.

THEN THEY CAME for our Financial System, (using Account Lockdowns, Environment, Societal, and Governance Regulations (ESG), SCOPE 1, 2, 3 Emissions, etc.),
and I didn't speak up because I wasn't involved in the Financial System.

THEN THEY CAME for our Agricultural/Food System, (using Fertilizer Reduction, Mass Organic Implementation, Insect Protein, Meat Limitations, Corporate Land Acquisition, the coming food, energy, and supply chain crises, etc.),
and I didn't speak up because I wasn't involved in the Agricultural/Food System.

THEN THEY CAME for our Supply Chain System, ((truckers/merchant ships/airlines/etc.) using Vaccine Passports, Invoking the Emergency Act, Suspending Banking Privileges, destroying food distribution centers, shutting down ports, etc.),
and I didn't speak up because I wasn't involved in the Supply Chain System.

THEN THEY CAME for me,

and I realized how involved I was in all these systems. THEY were coming for me right from the beginning and THEY are coming for you!

➤ Hat tip to Martin Miemöller (the original author) for the general structure.

Who are THEY? THEY are the World Economic Forum (the WEF (Klaus Schwab's "Great Reset", Yuval Noah Harari) and their corporate partners (Zuckerberg, Gates, Blackrock, Carney, etc.), the Davos Elite and the Bilderberg Group). THEY are the United Nations (the UN and all their Agendas (21, 2030) and subcommittees (the WHO, IPCC, WMO, etc.). THEY are all their political puppets (Trudeau and half of the cabinet in Canada, Arden in New Zealand, Macron in France, Biden, Obama, Gore, etc. in the USA, etc.). All these regulations, ideologies, control mechanisms, etc. originate in these organizations and are funneled down through their puppet network and propagandized through their controlled media. It all ties together. *From Neil Oliver, it's not about going green, it's about going without, "Think the Unthinkable"!*

THEY want an unelected, unaccountable, totalitarian one world government and THEY will be at the top. Everyone else will be at the bottom (owning nothing and being happy) or dead. The time to stand up against the Great Reset, etc. is NOW, before it turns into a Great Regret for you, your children and all those you love in your life (because it will)! These WEF/UN initiatives are already killing people (through food, energy, financial and medical oppression) and the deaths will accelerate drastically as these food, energy, financial and medical crises are magnified as our political "leaders" continue to double down on their dangerous, unscientific, and unnecessary idiotological WEF/UN initiatives.
