## Intro A<sub>m</sub> A<sub>m</sub>

### Verse 1

|                             |                               |                        |                      |
|-----------------------------|-------------------------------|------------------------|----------------------|
| <b>A<sub>m</sub></b>        | <b>D<sub>m</sub></b>          | <b>G</b>               | <b>A<sub>m</sub></b> |
| Day 25, the isolation looms | A picture wrapped in memories | Stares across the room |                      |
| <b>A<sub>m</sub></b>        | <b>D<sub>m</sub></b>          |                        |                      |
| The late spring flurries    | Are dancing in the yard       |                        |                      |
| <b>G</b>                    | <b>A<sub>m</sub></b>          | <b>A<sub>m</sub></b>   |                      |
| Our questions go unanswered | No solution in the cards      |                        |                      |

### Chorus 1

|                      |                      |  |                            |                      |                      |
|----------------------|----------------------|--|----------------------------|----------------------|----------------------|
| <b>D<sub>m</sub></b> | <b>A<sub>m</sub></b> | <b>E<sub>7</sub></b>                           | <b>E</b>                   | <b>E<sub>7</sub></b> | <b>A<sub>m</sub></b> |
| When will it end     | When will we know    | Will the curse be contained                    | Without government control |                      |                      |
| <b>D<sub>m</sub></b> | <b>A<sub>m</sub></b> | <b>E<sub>7</sub></b>                           | <b>E</b>                   | <b>E<sub>7</sub></b> | <b>A<sub>m</sub></b> |
| The self-isolation   | Social distance      | Is eating at the fabric of society's existence |                            |                      |                      |

### Verse 2

|  |                                     |           |                      |
|--|-------------------------------------|-----------|----------------------|
| <b>A<sub>m</sub></b>                   | <b>D<sub>m</sub></b>                |           |                      |
| The story that they weave              | Is fueled with models based on fear |           |                      |
| <b>G</b>                               | <b>A<sub>m</sub></b>                |           |                      |
| A path they took with "Climate Change" | Propaganda through the years        |           |                      |
| <b>A<sub>m</sub></b>                   | <b>D<sub>m</sub></b>                |           |                      |
| Will the truth be forthcoming          | Scarred with economic pain          |           |                      |
| <b>G</b>                               | <b>A<sub>m</sub></b>                | <b>G</b>  | <b>A<sub>m</sub></b> |
| Does the isolation work                | Does society remain                 | Unchanged |                      |

### Chorus 2

|                      |                      |   |                         |                      |                      |
|----------------------|----------------------|---|-------------------------|----------------------|----------------------|
| <b>D<sub>m</sub></b> | <b>A<sub>m</sub></b> | <b>E<sub>7</sub></b>                            | <b>E</b>                | <b>E<sub>7</sub></b> | <b>A<sub>m</sub></b> |
| When will it end     | When will we know    | Will the curse be contained                     | With government control |                      |                      |
| <b>D<sub>m</sub></b> | <b>A<sub>m</sub></b> | <b>E<sub>7</sub></b>                            | <b>E</b>                | <b>E<sub>7</sub></b> | <b>A<sub>m</sub></b> |
| The self-isolation   | The Social distance  | Is tearing at the fabric of society's existence |                         |                      |                      |

### Bridge

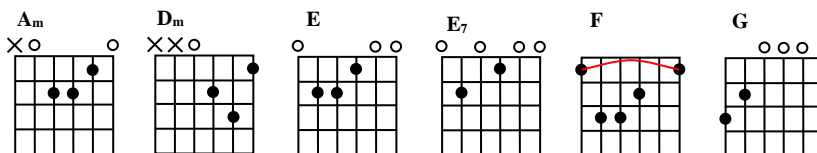

|                       |                      |                     |                        |          |                      |
|-----------------------|----------------------|---------------------|------------------------|----------|----------------------|
| <b>A<sub>m</sub></b>  | <b>A<sub>m</sub></b> | <b>F</b>            | <b>E<sub>7</sub></b>   | <b>E</b> | <b>E<sub>7</sub></b> |
| Trust the data        | We the people        | Think for yourself  | Don't run with sheeple |          |                      |
| <b>A<sub>m</sub></b>  | <b>A<sub>m</sub></b> | <b>F</b>            | <b>E<sub>7</sub></b>   | <b>E</b> | <b>E<sub>7</sub></b> |
| We just can't do this | In the long term     | It's not the answer | For every new germ     |          |                      |

### Verse 3

|                           |                         |                              |                       |
|---------------------------|-------------------------|------------------------------|-----------------------|
| <b>A<sub>m</sub></b>      | <b>D<sub>m</sub></b>    | <b>G</b>                     | <b>A<sub>m</sub></b>  |
| How are you dealing       | How are you coping      | Are your loved ones all safe | Are they still hoping |
| <b>A<sub>m</sub></b>      | <b>D<sub>m</sub></b>    |                              |                       |
| This crisis will pass     | Some damage will come   |                              |                       |
| <b>G</b>                  | <b>A<sub>m</sub></b>    | <b>A<sub>m</sub></b>         |                       |
| And for those that remain | They'll have to move on |                              |                       |

### Verse 4

|                         |                             |                      |  |
|-------------------------|-----------------------------|----------------------|--|
| <b>A<sub>m</sub></b>    | <b>D<sub>m</sub></b>        |                      |  |
| Another chapter         | Another variant             |                      |  |
| <b>G</b>                | <b>A<sub>m</sub></b>        |                      |  |
| The push for control    | So evil and salient         |                      |  |
| <b>A<sub>m</sub></b>    | <b>D<sub>m</sub></b>        |                      |  |
| It's time to fight back | With civil disobedience     |                      |  |
| <b>G</b>                | <b>A<sub>m</sub></b>        | <b>A<sub>m</sub></b> |  |
| Take our future back    | Our children really need us |                      |  |

**Chorus 3**

|   |  |   |
|---|--|---|
| <b>D<sub>m</sub></b><br>When will it end                                    | <b>A<sub>m</sub></b><br>I'm afraid it just won't                     | <b>E<sub>7</sub></b> <b>E</b><br>Our governments are lost |
| <b>E<sub>7</sub></b> <b>A<sub>m</sub></b><br>To global forces that are woke | <b>D<sub>m</sub></b><br>The people have to stand up                  | <b>A<sub>m</sub></b><br>And have their voices heard       |
| <b>E<sub>7</sub></b> <b>E</b><br>Have we reached the turning point          | <b>E<sub>7</sub></b> <b>A<sub>m</sub></b><br>Or the end of the world | <b>G</b> <b>A<sub>m</sub></b><br>As we know it            |

**Chorus 4**

|   |   |  |  |
|---|---|--|--|
| <b>D<sub>m</sub></b><br>Yeah, when will it end  | <b>A<sub>m</sub></b><br>When will we know         | <b>E<sub>7</sub></b> <b>E</b><br>Will the curse be contained   | <b>E<sub>7</sub></b> <b>A<sub>m</sub></b><br>With government control |
| <b>D<sub>m</sub></b><br>The self-isolation      | <b>A<sub>m</sub></b><br>Social distance           | <b>E<sub>7</sub></b> <b>E</b> <b>E<sub>7</sub></b> <b>A<sub>m</sub></b><br>Is feeding the seed of society's resistance |  |
| <b>D<sub>m</sub></b><br>Cue the socialist dogma | <b>A<sub>m</sub></b><br>A poison wrapped in greed | <b>E<sub>7</sub></b> <b>E</b> <b>E<sub>7</sub></b> <b>A<sub>m</sub></b><br>Don't make the cure                         | <b>E<sub>7</sub></b> <b>A<sub>m</sub></b><br>Worse than the disease  |
