## Verse 1

I've been wandering around the house all night Wond'ring what the hell to do  
Yeah, I'm trying to concentrate but all I can think of is you  
Well, the phone don't ring cause my friends ain't home I'm tired of being all alone  
Got the TV on, cause the radio's playing songs that remind me of you

## Chorus 1

Baby when you're gone I realize I'm in love Days go on and on  
And the nights just seem so long Even food don't taste that good Drink ain't doing what it should  
Things just feel so wrong Baby, when you're gone

## Verse 2

Yeah, I've been driving up and down these streets Trying to find somewhere to go  
Yeah, I'm lookin' for a familiar face but there's no one I know  
Ah, this is torture, this is pain, it feels like I'm gonna go insane  
I hope you're coming back real soon 'cause I don't know what to do
