

# **ROCK AND ROLL NEVER FORGETS**

Author: Bob Seger

**Intro** F#m E (2 times)

## **Verse 1**

So, you're a little bit older and a lot less bolder than you used to be  
So, you used to shake 'em down but now you stop and think about your dignity  
So, now sweet sixteen's turned thirty-one You get to feelin' weary when the work day's done  
Well, all you got to do is get up and into your kicks If you're in a fix

## **Chorus**

F#m B E  
Come back baby, rock n' roll never forgets

## **Verse 2**

You better get yourself a partner Go down to the concert or the local bar  
Check the local newspaper Chances are you won't have to go too far  
Yeah, the rafters will be ringin' cause the beat's so strong The crowd will be swaying and singing along  
And all you got to do is get in, into the mix If you're in a fix

## **Chorus**

F#m B E  
Come back baby, rock n' roll never forgets

## **Bridge 1**
